

JUNIORS

How to find us .

For most traffic, the A5 or A428 offer the best approaches into Long Buckby.

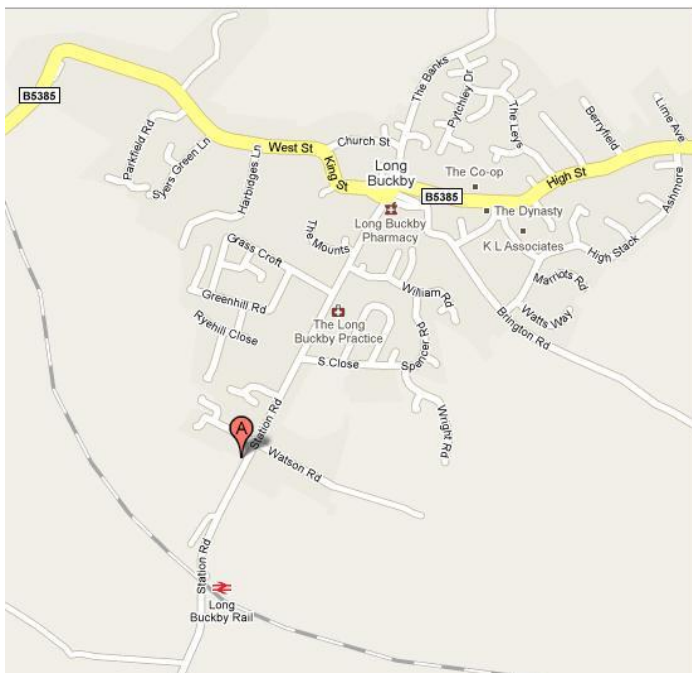

From A5 . turn off at Long Buckby Wharf exit and follow road for approx 1 mile, passing the station (on right) and as you reach the top of the hill, the football ground is on your right. Pass the ground and take the next turning on the right into South Close and the entrance to the Sportsfield & car park is on your right.

From A428 - turn off at Long Buckby exit (B5385) and follow road for approx 1.5 miles turning left in the village centre onto Station Road. Just before you reach the ground, turn left into South Close and the entrance to the Sportsfield & car park is on your right.

If you require detailed directions & route planner, please visit our website.
